14 interest, the name and address of the secured party;

15 (c) Such other information as the department may require.

16 (2) The department may in any instance, in addition to the

2 if it has been rebuilt after surrender of the certificate of ownership

4 or declaration as a total loss. The inspection must verify that the
5 vehicle identification number is genuine and agrees with the number
6 shown on the title and registration certificate. The inspection must
7 be made by a member of the Washington state patrol or other person
8 authorized by the department to make such inspections.

9 (b)(i) A physical examination of the vehicle is mandatory if the
10 vehicle was declared totaled or salvage under the laws of this state,
11 or the vehicle is presented with documents from another state showing
12 the vehicle was totaled or salvage and has not been reissued a valid
13 registration from that state after the declaration of total loss or

15 (ii) The inspection must verify that the vehicle identification
16 number is genuine and agrees with the number shown on the original
17 documents supporting the vehicle purchase or ownership.
